D-59		28 September 1980.				islands...early morn- ing...before light... smaller ship came to it ...took some people on board. Pulled anchor before dawn...4:30 am.	
		5.(Q) Move forward once again 1 day to 29 September 1980.				5.(A) Don't see any land now...rolling sea, away from land...other cargo ships...major shipping land... Feel like I'm moving west, going away from the sun, into the sun...no! I'm definitely going east!	
		6.(Q) Move forward in time, 1 day, to 30 September 1980.				6.(A) Escort vessel... rear right side... smaller ship running with it...small patrol- type vessel...see land off the front left bow ...not as hilly...more like rolling hills...

D-59					not many trees...look	
					like orchards of some	
					kind, 3-5 miles off	
					shore.	
	7.(Q) Move forward in				7.(A) Very large mar-	
	time, 1 day, to				ker bouys to the right...	
	1 October 1980.				very crowded with small	
					boats...like flat bar-	
					ges...moving more north-	
					ward now...still have	
					escort vessel...it's to	
					my rear now...land is	
					now closer to my right	
					than to my left...going	
					much slower...	
	8.(Q) Move forward in				8.(A) Made a sharp turn	
	time 1 day, to 2 Oct-				to the left...80° turn	
	ober 1980.				...going almost due	
					north...land visible on	
					my left...very green,	
					high hills...forested..	
					heavy fog...escort	
					vessel still there,

D-59						with him on the bridge..
						they're not doing any-
						thing...just talking..
						some papers..for port
						entry...
		SG1B				10.(A) Thick sheath of
						papers stamped 24 Sep-
						tember 1980..light yel-
						low paper with printing
						written over with ink...
						and has a large stamp in
						the upper right-hand
						corner, which is oval in
						shape..the stamp is
						dated 26 or 29 Septem-
						ber..I think. The
						other paper isn't dated.
						Possibly registration
						paper for ship..it has
						tonnage weights on it,
						draught, and where it
						was built...like a
						history...

D-59						11.(A) He's talking to	
						the captain...there's a	
			SG1B			mate there...don't see	
						the owner/representa-	
						tive...just the captain..	
						showing the official a	
						stack of black books...	
						bound together in a	
						stack.	
						12.(A) Ship enters	
						harbor, but does not	
						dock right away. It's	
						waiting for clearance..	
						has to do with being	
						night-time and having	
						to clear a dock area.	
						It's daylight before it	
						physically docks..three	
						other minor officials,	
						like customs-type people	
						come to the dock in an	
						old, black car... There	
						to meet the captain...
